Love God, Love all

Waverley Abbey Trust is a ministry, equipping you to love God, love your neighbour and love yourself. Through our portfolio of courses and plethora of resources, you can learn to be the difference in society. Our free Bible reading notes help you to draw closer to Jesus and by living every day with Jesus, we believe you can foster the foundation to help and serve others.

What we do

Through our faculties of Counselling, Leadership and Theology, at Waverley Abbey College, we deliver courses that range in length and level from one-day seminars to five-year Higher Education degrees. With different modes of study including face-to-face on-site, distance-education, and e-learning, we aim to facilitate learning that’s flexible and widely accessible.

We supply a range of publications, podcasts and audiobooks, supporting people worldwide, through our online store waverleyabbeyresources.org

All that we do practically supports and equips people with the knowledge and skills to live in ways that positively impacts their own lives, and the lives of others.

History

Waverley Abbey was built from the vision of Cistercian monks in 1128. On mission from France, they constructed Waverley Abbey in order to live a monastic life, filled with prayer, manual labour and contemplative Bible reading.

In 1832, Waverley Abbey House was sold to George Thomas Nicholson, who was Florence Nightingale’s uncle. Florence Nightingale was a frequent visitor to the grounds, and often spent Christmas at the house.

During WWI, Waverley Abbey House was turned into a military hospital, caring for over 5,000 wounded soldiers. In an astonishing testimony to God’s goodness not a single patient died during their stay at Waverley Abbey House.

All 5,000+ wounded soldiers survived.
Every Day with Jesus began in the 1960s, when Selwyn Hughes faithfully started writing the notes to guide people in thoughtful contemplation of the Bible. His passion was for all people to have an accessible way of reading the Bible and meeting Jesus.

Every Day with Jesus continues today through the prayers and gifts of God’s people. It has become our primary tool for encouraging and empowering people to encounter and live every day with Jesus.

We love to share this resource as widely and accessibly as possible. If you would like Dr. Micha Jazz, current author and voice of Every Day with Jesus, to visit your church, please email micha@edwj.org.

We’re thankful to faithful supporters who give to make a difference and enable Every Day with Jesus Bible reading notes to reach those who need them. If you’d like to support this mission, you can donate online at waverleyabbeytrust.org/make-a-donation.
